

Albert Park Clean Up Day

Sponsored by: The City of San Rafael, Gerstle Park Neighborhood Association, & B Team

When: Saturday January 21, 2017 from 9:30am 11:30am

Meeting location: Albert Park (between Lonatese Garden Patio and the redwood grove behind Parkside School).

About the day: In an effort to create a connection with our local parks and beautify the space around us, join members of the San Rafael community to kick off the first quarterly clean up of Albert Park. The morning will begin with a brief announcement about the clean up effort. We will then break out into groups – One group will locate and document graffiti (for later removal by the City), another group will focus on discarded cigarettes, and general trash. Trash sticks, trash bags and gloves will be provided by the City of San Rafael.

Children are welcome. There will be an organized game for children on the large grassy area of the park.

Please join us: RSVP by emailing keepsrclean@gmail.com
